Dear Colonel Burns:

STAT  
Enclosed are two copies of the manuscript by former Agency  
employee [ ] which I mentioned in my telephone conver-  
sation of 20 December. We believe there are Air Force equities  
involved and would appreciate your review of the document for any  
information you believe is still classified. While we obviously  
STAT  
did not promise to meet [ ] deadline, we would appreciate  
a reply as early as possible.

Sincerely,
